Welcome to our Women and Books 2007 study. We're asking women to look back at the last year and tell us about the non-fiction books they bought for themselves, gave to others, and received as gifts. We're also looking at resources women need to become successfully published authors. Our study takes less than 30 minutes to complete. To get started,

Welcome to EW's Book Nook

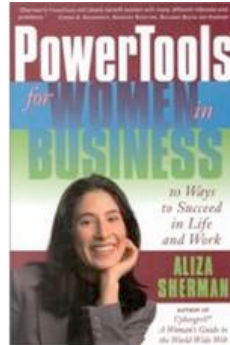

We love books and we want to share our love of books with you. to explore worlds, events, lives we have yet to touch ~ experience have yet to dream ~ to grow, become enlightened, and dwell in : of wisdom. Books are fun. They make us laugh, provoke thought exhausted mind. Books add richness to our conversations and give to talk about with meaning and enthusiasm.

If you have any recommendations for good books or want to share comments on the books listed, send it to info@justimagineit.org.

click on the logo below. Thank you. –
