This post is from from my other blog [here](#)

My name is Anne-Marie and I'm a book addict.... Did you know that fewer than 15% of the books on the New York Times non-fiction bestseller list were authored by women? Yet nearly 70% of non-fiction books are purchased by women.

[Content Connections](#) and [eWomenPublishingNetwork](#) are looking at the reading, recommending and book buying habits of women and how these factors can help more women become successful, published authors. The [Women and Books 2007 National Study](#) is available online from March 8, International Women's Day through Mother's Day on May 13.

The survey focuses on non-fiction books that female readers ...
