A new study is working to investigate just this. All women are encouraged to participated in a landmark effort to investigate how:</p> <ol style="list-style-type: none"> 1. Publishers draw conclusions on positioning books to women and consider more women authors for their product lines 2. Bookstores develop specific marketing to appeal to women as book buyers 3. Women understand resources that can help them become successfully published authors <p>Find the on-line survey at womenandbooks2007 dot com</p> <p>Back to top profile pm email</p>
