Women & Books 2007

Two interesting firms, Content Connections (marketing) and eWomen Publishing Network (promotions) have joined to create a 30-minute survey, Women & Books 2007 to study women's nonfiction reading habits and the resources they need to become successful authors:

look at factors that could help more women become successfully published authors.

**** A Study for Women Only: If you are a woman, we invite you to participate and then reach out to a woman who has inspired you and invite them to get involved, too. If you are a man, we invite you to forward this to a woman who has made a difference in your life.***

Remember, the survey closes on May 13. If you have questions, see the [Information](#) page. The incentives are from quality businesses, too:
